WORKSHOP REPORT

Name of Activity: Academic Workshop

Year: 2015 & 2017

Department: Home Economics

Objectives:

1. To provide new semester pattern information for upcoming batches
2. To gain knowledge of process of creating ceramic items and the skill.

Activity conducted (Brief summary):

Home-Economics Department conducts regular workshops regarding different updated provided by the university. The workshop's main purpose was to spread the information about the updated patterns i.e. semester pattern instead of annual pattern, the workshop was carried out in the presence of all the professors from colleges affiliated to Home-Economics Department of Amravati University. Secretary of College society Dr. Amar Sarda inaugurated the event. The experts guided the whole process from the university.

Mrs. Yogita Giri demonstrated the whole process of making the ceramic soil for different purposes and tools, which contributes to the self-employment among the students. The students appreciated the thought that faculty of Home Economics were actively engaged with this type of skill-based education.

Number of students participated:

About College...

The great philanthropist lady, Late Smt Krishnabai Sarda donated her 200 acres of land to Shri Sarda Education Society in 1916, paving the way for higher education in this area.

Smt Radhabai Sarda Arts, Commerce & Science College was established in year 1966 by Shri Sarda Education Society under the guidance of great visionary-educationist, Late Dadasaheb Kalmegh, former Vice-Chancellor of Nagpur University. Later, the college began its journey under the able leadership of Shri Nandkishorji Sarda, the founder President and Dr Rameshchandraji Sarda, the founder Secretary. The sole aim of Shri Sarda Education Society is to impart need based quality education to the residents of Anjangaon Surji and its adjoining area.

The seed of Smt Radhabai Sarda Arts, Commerce & Science College which was sown in 1966 has now grown into a large tree. At present, the college is running undergraduate courses in three faculties i.e. BA, BCom & BSc along with postgraduate courses in three subjects i.e. English, Marathi and Home-Economics. The subjects like Marathi and English Literature in BA and MA deepen and develop artistic, aesthetic, creative, social and moral sensibility among the students. The subject like Home-Economics in BA and MA develops cottage industry skill and entrepreneurial skill in girls' students.

The college has YCMOU (Yashwantrao Chavan Maharashtra Open University) distance education centre for BA and BCom courses which offers an opportunity to around 2000 students every year.

The College makes the optimum use of ICT facilities, large campus, state-of-art-playgrounds and rich library with more than 33000 books.

The college will strive endlessly for educational upliftment of the students in this mofussil area. We are committed to the social, moral and educational development of the people in and around Anjangaon Surji...

About Department...

The Department of Home-Economics was established with the introduction of UG in 1986 and PG in 1997 respectively. Presently, Dr S A Jawanjali is HOD who is also a recognised research guide for MPhil and PhD. Department is actively engaged in research work.

About Workshop...

Sant Gadge Baba Amravati University Amravati has recently implemented semester pattern in B A Ist year. Therefore, the department of Home-Economics is set to organise a One Day Workshop on New Semester Pattern of BA Ist year in Home-Economics. The main motto of this workshop is to make the teachers well acquainted with the syllabus and new teaching methods in Home-Economics.
