Action Taken Report

In order to increase the academic standard and students quality, academicians from the departments of Physics of Smt. Radhabai Sarda Arts, Commerce and science College, Anjangaon Surji and Shri Shivaji Arts, Commerce and Science College, Akot have decided to work in collaboration with each other and MOU was signed between them on January 2018. Under this MOU, a workshop on Experiments in Physics was organized for B.Sc. students at Shri Shivaji Arts, Commerce and Science College, Akot on 17th February 2018. Dr. Wagh , Coordinator of Science faculty, Shri Shivaji College, Akot inaugurated the workshop and enlightened students. Prof. Bhati , Head of Physics Department Shri Shivaji College, Akot made introductory speech. Prof. Mankar, Head of Physics Department, Smt. Radhabai Sarda College, Anjangaon Surji focused on need of experiments collaborative work. Students from both the colleges presented and demonstrated the experiments that they have setup. Curiosity was found in the students about the experiments that they don't have in their laboratories. Best three demonstrations were felicitated and certificates were given to all participants in valedictory function. 16 students from our college were participated and appreciated in the workshop.

Outputs of Workshop

- This workshop serves as broad introduction need of experiments in physics that grounds theoretical knowledge.
- Workshop is a humble attempt to make students proficient at performing experiments and analyzing results.
- It provides students with the knowledge of some new experiments that they don't have in their college laboratory.
- Students experience collaborative teaching method in teaching learning process.
- Boost the confidence of students for demonstrating experiments in front of students from other collage.
